Mr. Telephone man  
There's something wrong with my line  
When I dial my baby's number  
I get a click everytime

Mr. Telephone man  
There's something wrong with my line  
When I dial my baby's number  
I get a click everytime

When I dial 611 to get a service  
She said, "Hello, may I help you please?"  
I told her, Something must be wrong with my phone  
'cause my baby wouldn't hang up on me

Mr. Telephone man  
There's something wrong with my line  
When I dial my baby's number  
I get a click everytime

Mr. Telephone man  
There's something wrong with my line  
When I dial my baby's number

She let the phone ring 20 times before she answered  
Let me tell you what happen then  
A minute later - I got the operator  
Saying, "Please hang up and place your call again,  
Baby"

See what you can do

Would you just check the line  
Just one more time if you can  
I'm pretty sure my phone wouldn't be answered by no man
