Mr. Telephone man  
There's something wrong with my line,  
When I dial my baby's number  
I get a click everytime  
Mr. Telephone Man  
There's something wrong with my line  
When I dial my baby's number  
I get a click every time

When I dial 611 to be at service  
She said "Hello may I help you  
please?"  
I told her something must be wrong  
With my phone  
Cause my baby wouldn't hang up  
on me

Mr. Telephone Man  
There something wrong with my line  
When I dial my baby's number I get a  
Click every time

Mr. Telephone Man  
There something wrong with my line  
When I dial my baby's number I get a  
Click every time

She let the phone ring 20 times  
Before she answered  
Let me tell you what happened then (ah)  
A minute later I got the operator  
Saying please hang up and place  
Your call again

Mr. Telephone Man  
There's something wrong with  
My line  
When I dial my baby's number  
I get a click everytime  
Mr. Telephone Man,  
Something's wrong with my line  
I try to dial her number

I get a click everytime

Some strange man is on the  
telephone (the telephone)

He keeps telling me my baby  
Aint home (that she's not home)  
She ain't got no party line (Oo Oo)  
This situation's blowing my mind (Oo Oo)  
Oh, I just can't take it anymore

Please operator  
See what you can do,  
I dialed the right number  
But I still couldn't get through  
Could you just check the line  
Just one more time if you can  
I'm pretty sure her phone  
Wouldn't be answered by no man

Mr. Telephone Man  
There's something wrong with  
My line  
When I dial my baby's number  
I get a click everytime  
Mr. Telephone Man,  
Something's wrong with my line  
I try to dial her number  
I get a click everytime

Must be a bad connection  
I give her my love and affection  
I just can't take this no more  
This situation's blowing my mind  
blowing my mind  
Can't get my baby on the line

I tried dialing information (Mr. Telephone Man)  
I can't get no cooperation (Mr. Telephone Man)  
Cause he's still on the phone telling me my baby  
Aint at home  
Come on baby I just can't take it any more

Help me out  
please Mr. Telephone Man  
Help me out  
please Mr. Telephone Man
