So good
My, my, my, my listen

Put on your red dress
And slip on your high heels
And some of that sweet perfume
It sure smells good on you

Slide on your lipstick and let all your hair down
'Cause baby when you get through I'm gonna show you
Tonight will be a special night no matter where we go
And I'm so proud to be with you I just wanna let you
know

You got my saying
My, my, my, my, my, my, my
You sure look good tonight
And your so damn fine I wanna say
My, my, my, my, my, my, my
You sure look good tonight

After all this time slip on your nightgown
Step in our bedroom
First I wanna take sometime I just wanna look at you
Girl you are so fine I can't believe you're mine

And all I wanna do I wanna make love to you
Tonight will be a special night a minute more to come
And I'm so proud to be with you
So proud to share you're love

My, my, my, my, my, my, my
My, my, my, my, my, my, my
Make love all night long, make love 'til the break of
dawn
Come on, come on sweet little thing I need you

And I'm so proud to be with you
So proud to share you're love
My, my, my, my, my, my, my
You sure look good tonight

I wanna love you, I wanna love you in everyway,
everyway
Let me, let me show you how sweet it's gonna be
I wanna show you things that you never
You never, ever, ever seen before

Put your nightgown on
Let your hair hang low
Step into our room
I'm in the mood to love you all night long

You got me saying
My, my, my, my, my, my, my
My, my, my, my, my, my, my
My, my, my, my, my, my, my, my
So all you got to do, all you got to do
