So good  
My, my, my, my listen

Put on your red dress  
And slip on your high heels  
And some of that sweet perfume  
It sure smells good on you

Slide on your lipstick and let all your hair down  
'Cause baby when you get through I'm gonna show you  
Tonight will be a special night no matter where we go  
And I'm so proud to be with you I just wanna let you  
know

You got my saying  
My, my, my, my, my, my, my  
You sure look good tonight  
And your so damn fine I wanna say  
My, my, my, my, my, my, my  
You sure look good tonight

After all this time slip on your nightgown  
Step in our bedroom  
First I wanna take sometime I just wanna look at you  
Girl you are so fine I can't believe you're mine

And all I wanna do I wanna make love to you  
Tonight will be a special night a minute more to come  
And I'm so proud to be with you  
So proud to share you're love

My, my, my, my, my, my, my  
My, my, my, my, my, my, my  
Make love all night long, make love 'til the break of  
dawn  
Come on, come on sweet little thing I need you

And I'm so proud to be with you  
So proud to share you're love  
My, my, my, my, my, my, my  
You sure look good tonight

I wanna love you, I wanna love you in everyway,  
everyway  
Let me, let me show you how sweet it's gonna be  
I wanna show you things that you never  
You never, ever, ever seen before

Put your nightgown on  
Let your hair hang low  
Step into our room  
I'm in the mood to love you all night long

You got me saying  
My, my, my, my, my, my, my  
My, my, my, my, my, my, my  
My, my, my, my, my, my, my, my  
So all you got to do, all you got to do
