Spoken Ralph:

Yeah, I can't deny it
On the inside I'm slowly dyin'
But with a little love I'll be alright
Just give me one more day
I promise I'll make it up to you
I never meant to hurt you, baby
Just trust me, listen
?

Verse 1:

Ricky
I can't deny it
That you got me cryin' you see
And I'm, I'm slowly dyin'
So we can't give up tryin' to be
?

B Sec:

With a little love it will be all right
With a little kiss let me hold you tight
With a little peace it could be fine
And baby don't you leave me tonight

Chorus:

I just need one more day
And I won't make you cry
Darlin' believe
And baby don't say good bye
Look in my heart
And I won't tell you no lies
Just one more day
And loving me will be fine
?

Verse 2:

Ricky
People tell me
That true love is blind
But I'm trying to prove that
True love is kind
All that I want
Is to make things right
So won't you be my baby tonight

Chorus:?

I just need one more day
And I won't make you cry
Darlin' believe
And baby don't say good bye
Look in my heart
And I won't tell you no lies
Just one more day
And loving me will be fine
?

Bridge:

One more day
One more day
One more day
One more day
?

B Sec:

With a little love it will be all right
With a little kiss let me hold you tight
With a little peace it could be so fine
And baby don't you leave me tonight
I just need one more day
?

C Sec:

Just one more day
Just one more day
Just one more day
One more day
Repeat until fade
