Pump up the bass, hey
Pump up the bass, pump
Pump up the bass
Pump up the bass
Pump, pump, pump
Pump, pump, pump, pump

What you've been missin' in a man?
I can survive, your wish is my command
I'll work hard to fill up your needs
Give you lesson on what it is to

(Feel)
Feel good, baby
(Good)
Get undressed and slip on this robe
(Re)
Relax, darlin'
(Lax)
Just sit back

Can you feel the magic in my hands
When I touch and rub you the right way?
Stroke applied with tenderness
When I hold and rub you the right way

A light massage, a soft caress
Whenever I need to rub, I run her happiness
Customer satisfaction is a guarantee
So for your pleasure, come on over here, please

(You)
Hey
So hold on and throw off that coat
(Show)
Show
(You)
I'll show you pleasure like you've never known

Can you feel the magic in my hands
When I touch and rub you the right way?
Stroke applied with tenderness

When I hold and rub you the right way

Feel the magic in my hands
When I touch and rub you the right way
Stroke applied with tenderness
When I hold and rub you the right way

Pump up the bass, hey
Pump up the bass
What? What? What?
What? What?
Hey, get ready

(Feel good)
(Re)
Re, girl, lax, yeah
(Lax)
Oh oh oh

Can you feel the magic in my hands
When I touch and rub you the right way?
Stroke applied with tenderness
When I hold and rub you the right way

Feel the magic in my hands
When I touch and rub you the right way
Stroke applied with tenderness
When I hold and rub you the right way

Your every wish is my command
So get undressed and [unverified]
Gonna rub with my magic hands
Give you what you're missin' in a man

Stroke you with a soft caress
Applied with so much tenderness
Hold on tight and don't let go
Give you pleasure like you've never known before

Feel the magic in my hands
When I touch and rub you the right way
Stroke applied with tenderness
When I hold and rub you the right way

Feel the magic in my, in my
Customer satisfaction, baby
Stroke, hey, hey
Hold and rub you the right way

Do you feel it? Do you feel it?
Oh oh oh oh oh

Pump it, party
Come on, darlin'
Come on, do you?
Do you feel it, baby, feel it
Baby, feel it, feel it, feel it, feel it, feel it
Oh, baby, stroke, baby, oh

Feel it, baby, feel it all over
Feel it, honey, see what

Whatever you want, I got it
Whatever you need, I got it, baby, got it, baby
Whatever you want, I've got it in my hands
Whatever you need, I'll fulfill your needs, baby
