"Since I Don't Have You"

I don't have plans and schemes and I don't have hopes
and dreams

I don't have anything since I don't have you
I don't have fond desires and I don't have happy hours
I don't have anything since I don't have you

I don't have happiness and I guess, I never will again
When you walked out on me, in walked old misery
And he's been here since then

I don't have love to share and I don't have one who
cares
I don't have anything since I don't have you
You, you
