Chorus:

Over and over I try  
To get you off my mind  
But I can't win the fight  
There's a feeling I know  
When I'm losing in love  
It's the feelin' I get when I can't get enough

Ralph:

Something about you babe  
Makes me feel the way I do  
Know that I love you babe  
So ya treat me like a fool  
Wanna tell me babe  
How I fit into your plan  
Don't ya deceive me baby  
I'm just trying to be your man 'cause  
Oh nobody ever made me feel this way  
And oh I think and dream about you everyday  
And oh if I could only get you out my mind  
Oh but every time I try to run away

Chorus:

Over and over I try  
To get you off my mind  
But I can't win the fight  
There's a feeling I know  
When I'm losing in love  
It's the feelin' I get when I can't get enough  
(Something about you baby)  
Something about you baby  
Changed the way I look at need  
Is it obsession baby  
Or just curiosity  
Takin' advantage baby  
Of my sensitivety  
Do what you wanna babe  
Just give back my sanity  
Oh no other loves affected me before  
Girl you change the rules but I come back for more

I'm a player in this game I'll never win  
This addictive love's about to do me in

Chorus:

Over and over I try  
To get you off my mind  
But I can't win the fight  
There's a feeling I know  
When I'm losing in love  
It's the feelin' I get when I can't get enough  
(Something about you baby)  
Over and over I try  
To get you off my mind  
But I can't win the fight  
There's something about you baby  
When I think about you baby  
There's no doubt about it baby  
I know it's suicide to stay  
But baby everytime I try to run away  
Oh it's just something about you baby  
Chorus:  
Over and over I try  
To get you off my mind  
But I can't win the fight  
There's a feeling I know  
When I'm losing in love  
It's the feelin' I get when I can't get enough  
Something about you babe  
Something about you baby  
Something about you babe  
Something about you  
Chorus:(to fade)  
Over and over I try  
To get you off my mind  
But I can't win the fight  
There's a feeling I know  
When I'm losing in love  
It's the feelin' I get when I can't get enough
