Uhh, stone to the bone, baby  
Yeah, who's the mack?  
(Stone cold)  
(Baby, I'm stone cold)

Am I what you're missing?  
The kind of guy, who'll you a dozen roses every day  
To shower you with hugs and kisses, oh  
And making sure that you get love in each and every  
way

My momma told me to remember boy  
She said the woman is your pride and joy  
(Your pride and joy)  
And that's why I treat you with seniority  
A gentleman is what I strive to be

I'm a stone cold gentleman, I do all that I can  
Give my heart, my charm, my personality  
I'm a stone cold gentleman so girl just take my hand  
'Cause you've been missing out what is chivalry, yeah

(Stone cold gentleman)  
Aw, baby  
(Stone cold)  
(Baby, I'm stone cold)

Here we go, come on  
Here we go, come on

Now I, baby, don't mind giving, naw  
Giving you, the kind of love that I know you deserve  
'Cause I'll be there, yeah, 24 7, uh, to treat you nice  
Day and night, oh baby, just say the word

And I will open every door for you  
Send you letters and some sweet perfume  
(Some sweet perfume)  
I'll call you up to say I love you so  
I do special things 'cause I want you to know

I'm a stone cold gentleman, I do all that I can

(I'll give you my heart)  
Give me my heart, my charm, my personality  
(My charm, my personality)  
I'm a stone cold gentleman  
(I don't mind giving, what you been missing)  
You've been missing out what is chivalry

(I'm a stone cold gentleman)  
And I'll treat you right  
(Give me my heart, my charm, my personality)  
(Stone cold)  
'Cause baby I'm stone cold

She kinda got a future behind her  
She got a lotta future behind her  
Big bright future behind her, you know it  
Hey, excuse me, baby

I'll open doors for you  
Send you some sweet perfume  
(Some sweet perfume)  
I'll call you baby, don't you know  
Oh, I do special things 'cause I want you to know

Here we go, come on  
Here we go, come on

I'm a stone cold gentleman but I don't like a girl  
That tries to get too fly, remember that day I spoke  
You kept walking, pulled up in the Benz today  
And she was honking my boys

And all of a sudden she started giving the rhythm up  
It's plain to see, you're just out for the benjamins  
Yo, Rizz, ain't she the one that stepped at the high ha  
Yeah B, and ain't even trying to go out like that

(Stone cold)  
(Baby I'm stone cold)

Baby, I'm not, no Casanova  
But I'll give you my heart, I'll give you my charm  
Baby, I'm a gentleman and I'm not trying to win you  
over  
(Naw)  
But just give me your hand and I'll do what I can  
'Cause baby I'm stone cold

I'm a stone cold gentleman, I do all that I can  
Give me my heart, my charm, my personality  
I'm a stone cold gentleman so girl just take my hand

'Cause you've been missing out what is chivalry

Baby, I'm stone  
Aw, sugar, I'm cold  
Aw, I'm gonna treat you nice day and night  
Day and night baby

Baby, say the word and I'll be right there  
Ooh, I'm gonna open every door for you  
(Stone cold, baby I'm stone cold)  
Just for you baby

I'm a stone cold gentleman, I do all that I can  
Give my heart, my charm, my personality  
(Stone cold, baby I'm stone cold)  
I'm a stone cold gentleman so girl just take my hand  
(Stone cold, baby I'm stone cold)  
'Cause you've been missing out on what is chivalry

I'm a stone cold gentleman, yeah  
(I'll treat you right)  
(All day and night)  
(Baby I'm stone cold)

I'm a stone cold gentleman  
(I'll treat you right)  
(All day and night)  
(Baby I'm stone cold)
