Lookin' for that big honey
You'll find only in a dream
I searched around and still can't find her
[Unverified] to extreme

Turned around, she caught my eye
Tell me, am I seein' things?
Just might be imagination
[Unverified] and hauntin' me

This woman
(Supernatural)
The way she looks
(Supernatural)
The way she moves her body
(Supernatural)
Everything about this honey is so supernatural
Supernatural

As I watch her move in closer
Perfect beauty she exceeds
Never question Mother Nature
She's an angel without wings

Her extension fills my body
I reach out to hold her hand
Tried to grab it, can't get a handle
The girl is gone, she was never here

This woman, yeah
(Supernatural)
The way she looks
(Supernatural)
The way she moves her body
(Supernatural)
Something about that woman

That makes me feel so good

(Supernatural)

The way she looks

(Supernatural)

Supernatural baby, yeah

(Supernatural)

Everything about this honey is so supernatural

I'm tired of this cloud

Takin' over the invisible force

Are they controllin' me?

Naw, that's a corny way I think

I take two beasts out to rethink

I'm takin' each in my dream

This is kind of extreme

Yo, Ron, help me out

You know what I mean

Yeah, Biv

It's not that deep

Come, go with me

And out that ghost to sleep

[Unverified] how she's possessin' me

[Unverified] she's metaphysical, super irical

[Unverified] might be imagination

[Unverified] 'cause everything about this, honey, I love

Alright

(Supernatural)

The way that she moves

(Supernatural)

There's no doubt about it, yeah, yeah

(Supernatural)

Oh, I know Heaven must have sent you from above

(Supernatural)

Yeah

(Supernatural)

(Supernatural)

Say, baby, say, baby

If I'm dreamin', if I'm dreamin'

Please don't wake me up, yeah

(Supernatural)

(Supernatural)

See, I just wanna keep dreamin'

(Supernatural)

Everything I want in a woman

(Supernatural)
And I love her and I love her and I love
(Supernatural)
(Supernatural)
