Tonight
Tonight

Hey, what you're looking for is not so hard to find
It's in your eyes
Hurry, don't hesitate you're running out of time
Yeah, yeah

There's no need to be misled
There's no need to work
Oh no, we'll show you the way tonight

We're working hard
We're striving for perfection 'cause
That's the way we're livin'
Perfection's hard
That's why we're working overtime
That's the way we're livin' for you

It's up to you
So don't you let nobody tell you what to do, yeah
Make up your mind
'Cause life should be taken one day at a time

Step by step
One by one
We'll show you the way tonight

We're working hard
We're striving for perfection 'cause
That's the way we're livin'
Perfection's hard
That's why we're working overtime
That's the way we're livin' for you

Tonight

Time, there's no better time
Time, there's no better time for you

We're working hard
We're striving for perfection 'cause

That's the way we're livin'
Perfection's hard
That's why we're working overtime
That's the way we're livin' for you

Time, there's no better time
That's the way we're livin'
Time, there's no better time

We're working hard
We're striving for perfection 'cause
That's the way we're livin'
Perfection's hard
That's why we're working overtime
That's the way we're livin' for you
