(Ralph Tresvant:)

Lonely fear lights up the sky.  
Can't help but wonder why.

(Ralph Tresvant/Randy Travis:)

You're so far away

(Celine Dion:)

There, you had to take a stand,  
In someone else's land,  
Life can be so strange.

(Peter Cetera:)

I wish we never had to choose  
To either win or lose,  
That we could find a way.

(Bobby Brown:)

(we could find a way)

(Brenda Russell:)

But I, won't turn my again.

(Bobby Brown:)

(turn my back again.)

(Brenda Russell:)

Your honor I'll defend.

(Warrant:)

So hurry home, till then.

(Luther Vandross:)

(Till Then)

Chorus:

Stand Tall. Stand Proud!  
Voices that care are crying out loud.  
And when you close your eyes tonight,  
Feel in your heart how our love burns bright.

(Luther Vandross:)

(Hurry Home)

(Garth Brooks/Kathy Mattea:)  
I'm not here to justify the cause,  
Or to count up all the loss.  
That's all been done before.

(Warrant:)  
Just can't let you feel alone,  
When there's so much love at home  
We're sending out to you.

(Michael Bolton:)  
All the courage that you've known,  
The bravery you've shown,  
Clearly lights the way.

(Pointer Sisters:)  
We Pray.  
(Little Richard:)  
To make the future bright.

(Pointer Sisters:)  
To make the wrong things right.

[Rap:]  
(Will Smith:)  
Right or Wrong  
We're all praying you'll remain strong  
That's why we're all here and singing along.

Chorus:  
(Hey Hey)  
Stand tall. Stand Proud!  
Voices that care are crying out loud.  
And when you close your eyes tonight,  
Know in your heart how our love burns bright.

(Bobby Brown:)  
Voices that care are crying out loud.

Chorus:  
And when you close your eyes tonight  
Feel in your heart how our love burns bright.

(Kenny G playing the clarinet)

(Celion Dion:)  
You are voice.  
You are the light

Chorus:  
Stand tall. Stand Proud!  
Voices that care are crying out loud.

Luther Vandross:  
(Are crying out loud, oooh)

Chorus:  
And when you close your eyes tonight,  
Feel in your heart how our love burns bright.

Chorus:  
Stand tall. Stand Proud!  
Voices that care are crying out loud.  
And when you close your eyes tonight,  
Feel in your heart how our love burns bright.

(Warren Wiebe:)  
You are the voice and the guiding light,  
Feel in your heart how our love burns bright.
