(Verse 1)

whats your name
i've seen you before
what's your name
may i walk you to your door
its so hard to find a personality with charm like yours
for me ooh ooh ooh wee

(chorus)

what's your name
is it mary or sue
what's your name
do i stand a chance with you
its so hard to find a personality with charm like yours
for me ooh ooh ooh wee

(verse 2)

i stood on this corner
waiting for you to come along
so my heart could feel satisfied
so please let me be your number one
under the moon under the stars
and under the sun whooo

what's your name (what's your name)
is it mary or sue
whats your name
do i stand a chance with you
its so hard to find a personality with charm like yours
for me ooh ooh ooh wee

(saxsaphone solo)

so please let me be your number one
under the moon under the stars
and under the sun whooo

what's your name (what's your name)
is it mary or sue
wha'ts your name
do i stand a chance with you (do i stand a chance with
you)

it's so hard to find a personality with charm like yours
for me ooh ooh ooh wee

song and you still havent told me your name

no no its angel cause you look so heavenly
ive got it it's gotta be bunny cause your so cute and so
