I'm so sorry, baby
I never meant to hurt you
Please forgive me

Tears, I see, drop from your eyes
Tell me why you cry
Guilt, I feel, when you look at me
Did I let you down?

Girl, you see that I, I apologize
Tell me what to do to get through to you
Girl, it's not the same, I knew I was to blame
Just tell me, when will I see you smile again?

Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar

Promises, I know I made many times before
And I broke each one of them
But I had to learn over and over again
Don't hurt the one you love

Girl, you see that I, I apologize
Tell me what to do to get through to you
Girl, it's not the same, I know I was to blame
Just tell me, when will I see you smile again?

Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar

Look, baby, listen
Please forgive me for all the wrong I've done
You see, I just can't understand
Why I keep making this same kind of mistake

Over and over again

But there's one question
That remains in the back of my mind, love
And that is when will I
See you smile again?

Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar

Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me, when will I see you smile again?
'Cause I know I messed up, baby and I know you're fed
up, sugar
