Where do we go?

There comes a time when love can fade away
And it came across for you and I
And I don't know how or where to go from here
I really don't know just what to do
So, baby, can you tell me

Where do we go from here, my love
Do we walk away
Do we keep on trying?
After the feeling's gone, my love

Now there was a time when I thought I knew you well
But we were young and satisfied
Now I don't know, girl or how to cool my body
Shall we take a chance and patch it up
Or just leave it forever red

Where do we go from here, my love
Do we walk away
Do we keep on trying?
After the feeling's gone, my love

Can you tell me, baby
(Somebody tell me)
Where did we go wrong, baby?
(Can we just move on, yeah?)
When the feeling's gone
(Tell me, baby, tell me, baby, yeah)

(Where do we go)
Where do we go
(Where do we go)
Shall we just walk away
Think we just walk away, baby
(Where do we go)
Give me a time, baby

Where do we go from here, my love
Do we walk away, yeah

Do we keep on trying, baby?
After the feeling's gone, the feeling's gone, yeah

(What should we do, what should we do?)
I love you, I love you
(Love you too)
And I know you love me, baby
(Yes, I do)

Should we just take our time, take our time
Take it step by step, step by step
(Where do we go)

Where do we go from here, my love
(Where do we go)
