Turn me up
That's right
New Edition

You don't have to worry
I know that things ain't right
Seems like all we do is fight
And it's been on my mind
You don't have to worry
I'm gonna make it right
I'll be by your side
No more lonely nights
You don't have to worry

Lady, I don't know I've been acting strange
It seems to me you're tired of playing games
I've been around, had girls here and there
I did you wrong, but I'll give my life to make it right

I know that things ain't right
Seems like all we do is fight
And it's been on my mind
You don't have to worry
I'm gonna make it right
I'll be by your side
No more lonely nights
You don't have to worry

What must I do to make it up to you?
What can I say, to make you see things my way?
I know it's hard for you to understand
I did you wrong but I'll give my life to make it right

I know that things ain't right
Seems like all we do is fight
And it's been on my mind
You don't have to worry
I'm gonna make it right
I'll be by your side
No more lonely nights
You don't have to worry

Thats right
You don't have to worry

Don't be afraid
I'll be there whenever you need me
I'll be there trust in me
And I won't let you down, ohh

N.E. expertise please
Here to put the squeeze on the industry fleas
Getting cheese, peep these, butter slurs, his and hers
Chinchilla furs, check the good fella words
You don't ever have to worry
'Cause I get in ya like Murry
And boo, it's only a light flurry
You're fryin' can, you wanna rumble in the satin'
In a bad ass suite somewhere in lower Manhattan
I'm from the street too but I gotta eat to
Won't hesitate to eat you, other than that glad to meet
you
I spend nights in the Ramada my honey's stay laced in
Escada
Chickens is mad that I got her
Casino style gambiono types smile, kiss you before I
twist you
All the wax is official
Players' on the set gettin' wet sippin' Perrier Joust
So you don't even have to worry, yet

You don't have to worry
I know that things ain't right
Seems like all we do is fight
And it's been on my mind
You don't have to worry
I'm gonna make it right
I'll be by your side
No more lonely nights
You don't have to worry

I know that things ain't right
Seems like all we do is fight
And it's been on my mind
You don't have to worry
I'm gonna make it right
I'll be by your side
No more lonely nights
You don't have to worry

I know that things ain't right
Seems like all we do is fight
And it's been on my mind

You don't have to worry
I'm gonna make it right
I'll be by your side
