I know it's hard for you
To understand what im going through
But now i sit here to remind myself

You're always dressed to kill
And you feel like you owe it to the world
But you owe it to yourself and you're

You're not here
And i can't stop pretending
That you're forever mine
And i

I can't dream anymore
Since you left
I miss you singing me to sleep
I can't wake anymore
In your arms
I miss you singing me to sleep

Cheer up my friends all say
You're better alone anyway
'cause you're always on tour
And you're never home

Im always dressed to kill
And i feel like i owe it to the world
But i owe it to myself
And you're

You're not here
And i can't stop pretending
That you're forever mine
And i

I can't dream anymore
Since you left
I miss you singing me to sleep
I can't wake anymore
In your arms
I miss you singing me to sleep

Cheer up my friends all say
And i can't stop pretending
That you're forever mine
You're better alone anyway
And you're not here
Not here

I can't dream anymore
Since you left
I miss you singing me to sleep
I can't wake anymore
In your arms
I miss you singing me to sleep

Cheer up my friends all say
