I could stay awake just to hear you breathing
watch you smile
While you are sleeping while you're far away and
dreaming i could spend my life
In this sweet surrender i could stay lost in this moment
forever every moment
Spent with you is a moment i treasure i don't wanna
close my eyes
I don't wanna fall asleep cause i'll miss you babe
And i don't wanna miss a thing cause even when i
dream of you
The sweetest dream will never do i still miss you babe
And i don't wanna miss a thing laying close to you
feeling your heart beating
And i'm wondering what you're dreaming wondering
If it's me you're seeing then i kiss your eyes and thank
god we're together
I just want to stay with you in this moment forever i
don't wanna miss one smile
I don't wanna miss one kiss i just wanna be with you
right here with you
Just like this i just wanna hold you close feel your heart
so close to mine
And just stay here in this moment for all the rest of
time...
