All along, we follow blindly, Force fed prime-time,  
previewed nightly, Why would anybody leave the safety  
of their homes? I wonder why, I wonder why, Only  
disasters flood the headlines, Other people's  
misery, Are on for the next three hours, Commercial  
free. And I can't take much more of this, We're all so  
wrapped up, in it, Nothing will change, but the  
channel, So I turn it off. I see billboards on the horizon, I  
can't imagine what they'll tell me, What to wear, What  
to drink, Where to eat, It's so easy not to think for  
yourself anymore, So naive, You don't do anything  
anymore. And I can't take much more of this, We're all  
so wrapped up, in it, Nothing will change, but the  
channel, And no, I can't take much more of this, We're  
all so wrapped up, in it, Nothing will change, but the  
channel... We all give in, We all complain, We sit and  
wait, For things to change, We're waiting, We're  
waiting. All along, we follow blindly, All along, we follow  
blindly. And I can't take much more of this, We're all so  
wrapped up, in it, Nothing will change, but the  
channel, And no, I can't take much more of this, We're  
all so wrapped up, in it, Nothing will change, but the  
channel, So I turn it off... Turn it off...
