I'm drunk off your kiss  
For another night in a row  
This is becoming too routine for me  
But I didn't mean to lead you on  
And it's alright to pretend that we still talk  
It's just for show isn't it  
It's my fault that it fell apart

Just maybe you need this  
And I didn't mean to lead you on

(chorus)

You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I'd still pick my friends over you

My friends over you!

Please tell me everything  
That you think that I should know  
About all the plans you made  
When I was no where to be found  
And it's all right to forget that we still talk  
It's just for fun isn't it  
It's my fault that it fell apart

Just maybe you need this  
And I didn't mean to lead you on

(chorus)

You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I'd still pick my friends over you.....

My friends over you!

Just maybe you need this,  
You need this and I didn't mean to lead you on

(chorus 2x)

You were everything I wanted  
But I just can't finish what I started  
There's no room left here on my back  
It was damaged long ago  
Though you swear that you are true  
I'd still pick my friends over you

My friends over you!
