ooooooooohhhhhh.....ooooooooohhhh.....ooooohhhhhh.....ooooooooooooohhhhhhhh.....

Bury me under a crooked sidewalk,
That's where we allegedly met,
I knew that.. This would end,
When the lines were sure to cross your bed.

I know that i'm not a smooth talker,
I know that my eyes are the wrong colour,
to see you open up your wavering eyes,
and say.. did you mean it?
Cos I didn't hear it!

What did you say as I walked out the door,
Woah, did you want me back?
Did you want me?
What did you say as I walked out the door,
Woah, did you want me back?

Bury me six feet under your bedroom,
That's about as far as you could get,
I knew that... This would end,
when you packed me up,
and left me for dead.

You knew that I was a push over,
So you pushed me right over the edge,
I must say you never looked so good in black
But did you mean it?

What did you say as I walked out the door,
Woah, did you want me back?
Did you want me?

What did you say as I walked out the door,
Woah, did you want me back?

If your having second thoughts then you better speak
up,
Woah!
You didn't want me
You didn't need me
What did you say as I walked out the door,
Woah, did you want me back?

I'm amazed we made it this far
we've been through this before
and my hope is lost

My hope is lost.....

ooooooooohhhhhh.....ooooooooohhhhhh.....ooooohhhhhh.....ooooooooooooohhhhhhhh.....

What did you say as I walked out the door,
Woah, did you want me back?
Did you want me?
What did you say as I walked out the door,
Woah, did you want me back?

If your having second thoughts then you better speak
up,
Woah!
You didn't want me
You didn't need me
What did you say as I walked out the door,
Woah, did you want me,
Do you want me back?
