

New Found Glory "Certain"

Visit "[Certain](#)" on MotoLyrics.com

my life is an open book of changes and this just
occured to me
i dream of all these different places that i would rather
be i know
that all i want is to be a man who is certain with himself
my battles aren't won [2x]
until i'm certain with myself it's hard for me to feel this
anymore

where have the feelings gone i need to stop myself
from hiding
i've been down for far too long i know these worries of
mine
they won't change like the world i'm in how do i change
myself
