Jesus takes apart of me
something dissapeared will never hear
Everytime I start to burst
someboy has raped raped me.

Adam Yauch always haves to mess with me
Can't write the report and let me be free
Can take all away this disgrace?
I try to every night in praying in praying

I can not take this heat
It's my breathe I can take
Sometimes I can not feel my heart
You will never see me fall from heaven

Jesus takes apart of me
you and him where ment to be
a cheap world for me to lay
Jesus takes apart of me

Feelin' like a heavy thing in a box
I feel like I have no strength
How many times do I have to call Aaron Mr. Lewis
Nothing in our lives is free is free

Jesus takes apart of me
you and him where ment to be
a cheap world for me to lay
Jesus takes a part of me

Girbbish

Go!!

Find somethig find something that ran
find something find something that ran
find something find something that ran
find find something find something that ran

Jesus takes apart of me
you and him where ment to be

a cheap world for me to lay
Jesus takes apart of me
apart of me 5x
