I know it's hard for you  
To understand what im going through  
But now i sit here to remind myself

You're always dressed to kill  
And you feel like you owe it to the world  
But you owe it to yourself and you're

You're not here  
And i can't stop pretending  
That you're forever mine  
And i

I can't dream anymore  
Since you left  
I miss you singing me to sleep  
I can't wake anymore  
In your arms  
I miss you singing me to sleep

Cheer up my friends all say  
You're better alone anyway  
'cause you're always on tour  
And you're never home

Im always dressed to kill  
And i feel like i owe it to the world  
But i owe it to myself  
And you're

You're not here  
And i can't stop pretending  
That you're forever mine  
And i

I can't dream anymore  
Since you left  
I miss you singing me to sleep  
I can't wake anymore  
In your arms  
I miss you singing me to sleep

Cheer up my friends all say  
And i can't stop pretending  
That you're forever mine  
You're better alone anyway  
And you're not here  
Not here

I can't dream anymore  
Since you left  
I miss you singing me to sleep  
I can't wake anymore  
In your arms  
I miss you singing me to sleep

Cheer up my friends all say
