Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watchin you

Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watchin you

Oh can't you see  
You belong to me  
My poor heart aches  
With every step you take

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watchin you

Since you've gone I been lost without a trace  
I dream at night I can only see your face  
I look around but it's you I can't replace  
I feel so cold and I long for your embrace (ahhhhhh)  
I keep crying baby, baby, please

Oh can't you see  
You belong to me  
My poor heart aches  
With every step you take

Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watchin you

Every single day (I'll be watchin you)

Every word you say (I'll be watchin you)  
Every game you play (I'll be watchin you)  
Every night you stay  
I'll be watchin you

Every move you make (I'll be watchin you)  
Every vow you break (I'll be watchin you)  
Every smile you fake (I'll be watchin you)  
Every claim you stake  
I'll be watchin you

Oh I'll be watchin you  
I'll be watchin you  
I'll be watchin you  
(repeat)
