Vs1

Everything that could have went wrong
Went wrong this year
Nothing recently has made me want
To stand up and cheer
Everything you havn't said has finally
Come back to you
Now is not the time, Now is not the time

Bridge

I know you never like any gift
I gave to you

Chorus

This holiday, is overrated
It turned out, the way I expected
This holiday is one to forget
Another year this time i'll regret
That i spent too much time and money on you

Vs2

Why do I only remember
The bad times we had
I guess everything we do (everything we do)
Does reflect
Everything you wish you said
Has finally come back to you
Now is not the time, no now is not the time

Bridge

Chorus

This holiday is overrated
It turned out the way i expected
This holiday, the one i'll forget
Another year this time i'll regret
x2

I hope you spend it alone
