Someones in your house
Someones in your house
Someones in your house
Someones in your house
You have to understand that this is not just a cd
It is taking over your brain
Do you think? Do you Think? you're safe right now?
Someones in your house..
the button the button the button the button the button
the button the button the button the button
Im sick of smiling..
Hey this one was supposed to be on the hidden track
on our last cd,
but jordan got mad high and left the studio before we
could record it
(Shut up dude)
Make way for the queen!
Someone get my car out!

Everyone has toothpick on their table
We like the shiskabob cause the beef has good flavor
Everyone has toothpick on their table
we like the...
Hold on i forgot the words...
Everyone has toothpick on their table
We like the shiskabob cause the beef has good flavor
Everyone has toothpick on their table
we like the dental floss and *AHHH*
