Let's go

The needle on my record player  
Has been wearing thin  
This record has been playing  
Since the day you've been with him

No more long rides home  
No more of your station  
I didn't like it anyway

Remember the time we wrote  
Our names upon the wall?  
Remember the time we realized  
Thriller was our favorite song?

Have I waited too long?  
Have I found that someone?  
Have I waited too long?  
To see you

Have I waited too long?  
Have I found that someone?  
Have I waited too long?  
To see you

Maybe it's for the best  
Maybe it's not for anything  
It wouldn't be so bad  
To take this right from me

No more long rides home  
No more of your station

I didn't like it anyway

Remember the time we wrote  
Our names upon the wall?  
Remember the time we realized  
Thriller was our favorite song?

Have I waited too long?

Have I found that someone?  
Have I waited too long?  
To see you

Have I waited too long?  
Have I found that someone?  
Have I waited too long?  
To see you

For how many times I've tried  
It's simple to you, so simple to lie  
How many times I've tried  
Blatant mistakes of your design

For how many times I've tried  
It's simple to you, so simple to lie  
Blatant mistakes of your design

Have I waited too long?  
Have I found that someone?  
Have I waited too long?  
To see you

I've had so many chances  
Turn my back and I ran away  
I've had so many chances  
To see you
