Well I could stay awake just to hear you breathing
Watch your smile while you are sleeping, while you're
far away dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Every moment spent with you is a moment I treasure

I don't want to close my eyes, I don't want to fall asleep
'Cause I'll miss you baby and I don't want to miss a
thing
'Cause even when I dream of you, the sweetest dream
will never do
I'd still miss you baby and I don't want to miss a thing

Lying close to you feeling your heart beating
And I'm wondering what you're dreaming
Wondering if it's me you're seeing
Then I kiss your eyes and thank God we're together
I just want to stay with you in this moment forever

I don't want to close my eyes, I don't want to fall asleep
'Cause I'd miss you baby and I don't want to miss a
thing
'Cause even when I dream of you, the sweetest dream
will never do
I'd still miss you baby and I don't want to miss a thing

I don't want to miss one smile, I don't want to miss one
kiss
I just want to be with you, right here with you just like
this
I just want to hold you close, feel your heart so close to
mine
And just stay here in this moment for all the rest of
time
Yea yea, yea yea yea

I don't want to close my eyes, I don't want to fall asleep
'Cause I'd miss you baby and I don't want to miss a
thing
'Cause even when I dream of you, the sweetest dream
will never do

I'd still miss you baby and I don't want to miss a thing
Well I'd still miss you baby and I don't want to miss a
thing, yea yea yea
Well I'd still miss you baby and I don't want to miss a
thing
Yea yea yea yea
