Got nothing to lose this time
And im bored with the same ol lines
I never know what to do
Or say to you
One look and you'll kock me out
Put me on the floor with a ten count
I don't wanna make a scene
I gotta make your scene
That i been waiting for a girl like you
And i know there's nothing that I can do

Don't wanna make you hurt
Don't wanna make you feel
That the world aint on your side
That your never going to get it right
No I can't fight, Can sleep at night
Just thinking about you girl
Im a fool for you.

-Yes I am-

You been on my mind
Since i saw you walking by
I knew i had to knew you better
You were everything
But i didn't know what to say
So you walked away
I couldnt believe what fool i was
To let you go
'cause i been waiting for a girl like you
And i know, there's nothing that I can do

Don't wanna make you hurt
Don't wanna make you feel
That the world aint on your side
That your never going to get it right
No I can't fight, I can't sleep at night
Just thinking about you girl
Im a fool for you.

-Yes I am-

When i saw you at the beach
Talking with my friends
I couldnt believe my friends it was my lucky day
So i just asked you out to the point of no doubt
When you said you would come
I thought i might explode
'cause i been waiting for a girl like you
And I know there's nothing that I can do

Don't wanna make you hurt
Don't wanna make you feel
That the world aint on your side
That your never gonna get it right
No I can't fight, I can't sleep at night
Just thinking of you girl
I'm a fool
Don't wanna make you hurt
Don't wanna make you feel
That the world aint on your side
No I can't fight, I can't sleep at night
Just thinking about you girl
Im a fool for you

Yes I am, Yes I am, Im a fool for you!
Yes I am, I am.
