Leave it to me  
To lose all your confidence  
No, I can't stop  
This train wreck before it hits

I hope I don't sound  
Like the X's on your calendar  
I stumble on new ground  
To gather up the formula

Fate, faith  
You and me, love and pain  
Fate, faith  
You and me, love and pain

How selfish of me  
To think I'm the only one  
To question mistakes  
A fool's game, I'm losing now

Just taking my time  
Planning out my escape  
I'm scared what I'll find  
But it's the choice I have to make

Fate, faith  
You and me, love and pain  
Fate, faith  
You and me, love and pain

Even I know there's a line  
Between emotion and  
Fate, faith  
You and me, love and pain

We can't control what we are  
It's not our place  
It's out of our hands

Fate, faith  
You and me, love and pain  
Fate, faith

You and me, love and pain

Even I know there's a line  
Between emotion and  
Fate, faith  
You and me, love and pain

Fate, faith  
You and me, love and pain  
Fate, faith  
You and me, love

Even I know there's a line  
Between emotion and  
Fate, faith  
You and me, love and pain
