Turn around
Look at what you see
In her face
The mirror of your dream

Make believe I'm everywhere
I'm hidden in the lines
And written on the pages
Is the answer to a never ending story

Reach the stars
Fly a fantasy
Dream a dream
And what you see will be

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon the rainbow
Is the answer to a never ending story, story

Show no fear
For she may fade away
In your hands
The birth of a new day

Rhymes that keep their secrets
Will unfold behind the clouds
And there upon the rainbow
Is the answer to a never ending story

Never ending story
Never ending story
Never ending story
Never ending story
