I say your name When I fall, when I hit the bottom Say your name When I fall, when I hit the bottom

I say your name When I fall, when I hit the bottom Say your name When I fall, when I hit the bottom Girl, play on The boys will stay even if you're gone Go girl (girl), play on The boys will stay even if you're gone

And I say (And I say) Say your name (Say your name) When I fall (When I fall) I say...

Say your name When I fall, when I hit the bottom Say your name When I fall, when I hit the bottom Girl, play on The boys will stay even if your gone Go girl (girl), play on The boys will stay even if your gone
