Dear (your name here):

It's been a long time, very long time

Since I heard your voice, and I bet she never thought I  
was

So sorry so, I've had a hard time, very hard time

Seeing less of you

I never thought you knew

So can you see?

You're seeing less of me darling

And your blind to the fact that my

Heart stopped beating

And I'm as good as dead (woa-ooo)

And I'm as good as dead

Dear (I forgot your name again):

Just picking up where I left off...

OH YEAH! This is the part where you leave me!

So sorry so, I've had a heard time very hard time

Seeing less of you

I never thought you knew

So can you see?

You're seeing less of me darling

And you're blind to the fact that my

Heart stopped beating

So can you see?

You're seeing less of me darling

And you're blind to the fact that my

Heart stopped beating

And I'm as good as dead (woa-ooo)

And I'm as good as dead

This (this)

Is all (alllllll)

I have (have)

To say...

To say.... (hey!)

So can you see?  
You're seeing less of me darling  
And you're blind to the fact that my  
Heart stopped beating

So can you see?  
You're seeing less of me darling  
And you're blind to the fact that my  
Heart stopped beating

Stopped beating...  
Stopped beating...  
Stopped beating...  
Stopped beating...
