im sorry  
i heard about the bad news today  
a crowd of people around you  
tellin you its okay  
and everything happens for a reason

when you lose a part of yourself  
to somebody you know  
it takes a lot to let go  
every breath that you remember  
pictures fade away  
but memories forever

an empty chair at all the tables  
and ill be seeing you when all my days boil down  
but its better  
where you're going anyway

im sorry  
i heard about the bad news today  
its really hard to get through

tough times and long days  
but it really just depends on the season

when you lose a part of yourself  
to somebody you know  
it takes a lot to let go  
every breath that you remember  
pictures fade away  
but memories forever

an empty chair at all the tables  
and ill be seein you when all my days boil down  
for now we'll say goodbye  
you know its not the last time  
ive lost the best part of my day  
but its better  
where you're going anyway
