Can you tell that I'm losing myself?  
I think I'm trying too hard to  
Let it show  
To let you know  
Don't trace your footsteps back to me

I've been gone for a long time  
Waiting on the sidelines  
Hoping for a chance to play  
Well I thought I would never leave anything behind  
I also never thought I'd say

Tell my friends I'm dead  
I'm leaving you  
This time it's for good  
Tell my friends that I'm dead  
It won't be long before you forget my name

Can you tell that I don't know myself?  
I need someone to remind me  
to let it go  
please let me know  
Don't trace your footsteps back to me

I've been gone for a long time  
Waiting on the sidelines  
Hoping for a chance to play  
Well I thought I would never leave anything behind  
I also never thought I'd say

Tell my friends I'm dead  
I'm leaving you  
This time it's for good  
Tell my friends that I'm dead  
It won't be long before you forget my name

And if I had the chance to do it all again  
I wouldn't expect anything less  
And if I had a chance to do it all again  
I wouldn't expect I wouldn't expect anything less

Tell my friends I'm dead  
I'm leaving you this  
Time it's for good  
Tell my friends that I'm dead  
It won't be long before you forget my name

Forget my name
