You,
Doin that thing you do
Breaking my heart into
A million pieces
Like you always do
And you,
Don't mean to be cruel.
You never even knew about the heart ache
I've been going through.

Well I try and try to forget you girl
But it's just so hard to do
Everytime you do that thing you do

I know all the games you play
And I'm gonna find a way
To let you know that
You'll be mine someday
Cause we,
Could be happy
Can't you see?
If you don't than let me be the one to hold you
And keep you here with me

Cause I try and try to forget you girl
But it's just so hard to do
Everytime you do that thing you do

I don't ask a lot girl
But I know one things for sure
It's the love I haven't got girl
And I just can't take it anymore

Cause we
Could be happy can't you see?
If you'd only let me be the one to hold you
And keep you here with me

Cause it hurts me so just to see you go
Around with someone new
And if I know you you're doing that thing
Everyday just doing that thing

I can't take you doing that thing you do
