[Scream]

Someones in your house

Someones in your house

Someones in your house

Someones in your house

You have to understand that this is not just a cd

[Evil Laugh] It is taking over your brain

Do you think? Do you Think? you're safe right now?

Huh?

Someones in your house..

Someones in your house

YEAH YEAH

The button the button the button the button the button

the button the button the button the button

I'm sick of smiling..

Yeah Yeah

Hey this one was supposed to be on the hidden track

on our last record,

but jordan got mad high and left the studio before we

could do it

(Shut up dude what you talking about?)

Make way for the queen!

Someone get my car out!

Everyone has toothpick on their table

We like the shiskabob cause the beef has good flavor

Everyone has toothpick on their table

we like the...

I forgot the words hold on...

Everyone has toothpick on their table

We like the shiskabob cause the beef has good flavor

Everyone has toothpick on their table

we like the dental floss and [Ahhh]
