Lying in my bed
I hear the clock ticking
And think of you
Caught up in circles
Confusion is nothing new
Flash back warm nights
Almost left behind
Suitcase of memories
Time after some times you pictured me
Im walking too far ahead
Youre calling to me
I can't hear what you have said
Then you said
Go slow, I fall behind
The second hand unwinds
If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
Ill be waiting
Time after time
If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
Ill be waiting
I turn, my picture fades
And darkness has turned to grey
Watching through windows
Youre wondering if Im ok
Secrets stolen from deep inside
The drum beats out of time
If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
Ill be waiting
Time after time
If you're lost you can look
And you will find me
Time after time
If you fall I will catch you

Ill be waiting
