as we're both lying here there's so many things i wanna
say
i will always love you i will never leave you alone
sometimes i just forget,
say things i might regret it breaks my heart to see you
crying
i don't want to lose you i could never make it alone
cause i am the man who will fight for your honor i'll be
the hero
that you're dreaming of gonna live forever knowing
together
that we did it all for the glory of love you keep me
standing tall you help me
through it all i'm always strong when you're beside me i
have always needed you

i could never make it alone...
it's like a knight in shining armor from a long time ago
just in time i'll save the day take you to my castle far
away...
