My heart is pumping
For one reason
Maybe it's my imagination
But it's true
It's all in your hands
I no longer
Have this on my shoulders

Oh no
It must be something I said
Love is another word for regret
You know
It must be part of my plan
It's never too late to understand

And I
Wanted it to be
Something more than
Just another run around for me

And I
Even though I'm glad
That I'm finally free
All that's for my life is now up to me

Oh no
It must be something I said
Love is another word for regret
You know
It must be part of my plan
It's never too late to understand

And I
Walk around for days
And I
Only see you in my dreams

My heart is pumpin'
For one reason
Maybe it's my imagination
But it's true
It's all in your hands

I no longer
Have this on my shoulders

Oh no
It must be something I said
Love is another word for regret
You know
It must be part of my plan
It's never too late to understand

And I
Walk around for days
And I
Only see you in my dreams
Dreams
Dreams

Waited for me
Like I've waited for you
Waited for me
(Waited for me)
Like I've waited for you
