Who let the frogs out
Ribbit, ribbit, ribbit, ribbit
Ribbit, ribbit, ribbit, ribbit
Ribbit, ribbit, ribbit, ribbit

Who let the frogs out, ribbit ribbit ribbit ribbit
Who let the frogs out, ribbit ribbit ribbit ribbit

When the pond, it was nice, the party was jumpin'
Hey yippie-yi-yo
And everybody havin' a croak
Hey-yippie-yi-yo
I tell the fellas, come over to my pad
Hey yippie-yi-yo
Evil bullfrogs report to the call
The poor frog show down

Who let the frogs out, ribbit ribbit ribbit ribbit
Who let the frogs out, ribbit ribbit ribbit ribbit

I see ya little lilypad float up to our coast
Frogs really want to get down
Get back off of me, frog's envy is green
Get back, you flea eating monsters

Who let the frogs out, ribbit ribbit ribbit ribbit
Who let the frogs out, ribbit ribbit ribbit ribbit

I'm gonna tell, hey yippie-yi-yo
To any girls calling them little toads, hey yippie-yi-yo
Tell the dummy, hey man we're sitting on the fast log
You catch a fly on your tongue and there's another
behind
Hey yippie-yi-yo
Toadstool floats up now

Who let the frogs out, ribbit ribbit ribbit ribbit
Who let the frogs out, ribbit ribbit ribbit ribbit

Say, a froggy is nothin' if he don't have a toad, all
froggy don't hold it

A froggy is nothin' if he don't have a toad
All froggies hold your toads, hold em all now

Wait for y'all my frogs, the party is on
I gotta get my leaf to croak the bog
Do you see the bubbles coming from my throat
What could you be friend
That little green man got nothing on us now
Me and my scaly wart-warts
And I can't seek a lot, any tadpole will do
I'm figurin' that's why they call me a bullfrog
Cause I'm a bull inside a frog's body
When they see me they croooooaaaakk

Who let the frogs out, ribbit ribbit ribbit ribbit
Who let the frogs out, ribbit ribbit ribbit ribbit
