{Yo, Jordan! What's up?
Hey Danny! What's happening?
Oh, here comes little Joey Joe down the street
Ho! What's happenin' fellas?}

{Yo, there's Jon, but has anyone seen Donnie?
I don't know, but I thought I saw him walking towards
the corner store
Nah, he's at the park playing ball}

{Oh, here he comes now
Hey guys
Where have you been?
Man, I've got a story to tell
Hit it}

Saw a home girl at the corner store
Eyes started bugging, mouth fell to the floor
She had a miniskirt with a sexy pose
I tried to rap to her, but I just froze
Tell me now fellas, what can I do?
To make a girl like me, like a girl likes you?

Well, homeboy get ready
'Cause you want correcting
'Cause a girl needs love
And plenty of affection

If a girl were mine, I'd give her the world
I'd buy her diamonds and pearls just to make her my
girl
That might work with your girl, but not with mine
She's not the type of girl to fall for any line

I'd take her out to dinner, treat her like a winner
I may be young, but I'm no beginner
All your ways are good, but not as good as mine
You have to be sincere for a girl that fine

Baby, won't you please be mine?
Are you down?
Baby, won't you please be mine?

Are you down? Ho!

Alright then, D., since you gave it a try
Tell us about the girl who caught your eye
It was after school and I was feeling cool
'Til I saw that girl and I started to drool

So I thought to myself, take it easily
I couldn't let peer pressure get the best of me
I thought to myself, what should I do?
That's when she came up on me and said, "I love you"

Who me?
Yeah, you
Couldn't be
But it's true
So I rushed back home to tell you guys
But not before I got a quick kiss goodbye

Did you meet her friends?
Yeah, they looked def
Yo, that was fresh
Word! Let's go left

So here goes the keys
On which it depends
She's got
One, two, three, four
Fresh girlfriends

Baby, won't you please be mine?
Are you down?
Baby, won't you please be mine?
Are you down? Ho!

Are you down?
Are you down?
Are you down?
Are you down?
Are you down?
