I'm a big boy you're a big girl now
I'm a big girl you're a big boy now

Back in the day when you were young
(It was fun)
Little girl didn't think you were the one
Now here I come

Your sexy walk
Your sexy talk
(That's what's up)
Little girl you're clearly not the same kid from the block

I ain't that little girl no more
Not no more, that's for sure
Boy get your ass out on the floor
Let's explore, let's explore

You know I like the way you move it (move it)
Here you are grown up
And now you're ready to let go
Wanna be a big girl got to prove it (prove it)
With a body like that
You've got a grown man ready to blow

I'm a big boy you're a big girl now
I'm a big girl you're a big boy now

Back in the day when I was young
(You were kind of dumb)
But I always knew I'd be the one
Now here you come

Gonna get you wet, gonna make you sweat
(Girl, I bet)
Gonna give you something
You ain't never gonna forget

You ain't no little girl no more (nope)
That's for sure, your booty like oh

Wanna work it like a big girl
Let's explore, now drop it to the floor
Baby get raw

You know I like the way you move it (move it)
Here you are grown up
And now you're ready to let go
Wanna be a big girl got to prove it (prove it)
With a body like that
You've got a grown man ready to blow

You know I like the way you move it (move it)
Here you are grown up
And now you're ready to let go
Wanna be a big girl got to prove it (prove it)
Don't nobody like that
You've got a grown man ready to blow

I'm a big boy you're a big girl now
I'm a big girl you're a big boy now
I'm a big boy you're a big girl now
I'm a big girl you're a big boy now

I've been waiting too long for you to get naughty,
Beat me,spank me daddy,c'mon touch my body.

They say good things come to those who wait
Come n take it mama before it's too late

(Oh, baby, ooh, yeah, ooh)
You know I like it, yeah

You know I like the way you move it (move it)
Here you are grown up
And now you're ready to let go
Wanna be a big girl got to prove it (prove it)
With a body like that
You've got a grown man ready to blow

You know I like the way you move it (move it)
Here you are grown up
And now you're ready to let go
Wanna be a big girl got to prove it (prove it)
With a body like that
You've got a grown man ready to go

(Hey)(Yeah)
A grown man ready to blow
