Rap Intro... Call it what you want  
But I call it love  
Fits like a glove  
Don't shove  
Back and forth  
And forth and back  
Get into the track  
Feel the groove or move back  
Into position cause I'm coming straight for your heart  
Fell the vibe and let's start  
I want you and I know you want me  
So let's get busy  
Na na na na na na you see  
Na na na na na na you see  
(Verse) I can tell you've been watching me  
Girl, I've been watching you to  
I've got the feeling you want my love  
I must admit i want your love too  
(Chorus) Call it what you want, girl  
I call it love  
Call it what you want, darling  
I'll still call it love  
(Verse) You know there's something about you girl  
What it is is kind of hard to say  
I only wish we could get away  
Give your love, and I'll lead the way  
(Chorus)

Na na na na na na, you see  
Na na na na na na, you see  
It's so groovy  
Just to be with you  
It's so groovy  
Just to dance  
Or anything that you wanna do  
Na na na na na na, you see  
Na na na na na na, you see  
I can feel it x3  
I can feel your love girl  
(Music Break)  
It's so groovy  
Just to be with you

It's so groovy  
Just to dance  
Or anything that you wanna do  
(Chorus)  
You can call it this  
You can call it that  
You can call it anything girl  
(Chorus) x3  
(Music)...(out)
