I've been away too long without you  
Trying to leave it all behind (behind)  
But every moment I dream about you  
I lose my mind  
My love

I don't wanna face another morning  
I couldn't make it through another night  
If I could only find a way to get back to you  
I know that I could make it right

I'm coming home (ooooh oohh)  
Girl I feel so lost without you  
I'm coming home (ooooh oohh)  
Cause I don't know how to deal without you

I would walk for miles  
Swim the deepest seas  
til I get there - right where I need to be  
I'm coming home  
I'm coming home  
I'm coming home

So tell me how has life been without me  
And do I ever cross your mind (do I ever cross your  
mind)  
I promise you will never have to doubt me  
No not this time  
My love

No I don't wanna face another morning  
I couldn't make it through another night  
If I could only find a way to get back to you  
I know that I could make it right (right, right)

I'm coming home (ooooh oohh)  
Girl I feel so lost without you  
I'm coming home (ooooh oohh)  
Cause I don't know how to deal without you

I would walk for miles  
Swim the deepest seas

Til I get there - right where I need to be  
I'm coming home

I'm coming home  
I'm coming home

Hey baby please come home  
Cause it won't be long  
I promise that I'm coming  
I'm coming home

Hey baby please come home  
Cause it won't be long  
I promise that I'm coming  
I'm coming home

[Donnie Rap:]

Unlock the door girl  
And leave the light on  
I wanna get our love on  
Don't wanna get our fight on  
Stay -  
All I wanna do is promise  
To honor you  
I know I said it last time  
But this time  
I'm gonna do anything  
I can to  
Show you my love  
Anything I can't do  
I'll damn sure try love  
Don't wanna blame you  
shame you  
tame you  
Girl my only aim is to  
re-last name you  
If I hadn't lost you  
I never might have loved (nope)  
If it hadn't cost me  
I might have never grown (yep)  
I don't wanna ever spend another night alone

I'm coming  
I'm coming home

I would walk for miles  
Swim the deepest seas  
Til I get there - right where I need to be

I'm coming  
I'm coming home

I'm coming home  
Cause I don't know how to deal without you  
I'm coming home

Baby please come home  
Cause it won't be long  
I promise that I'm coming  
I'm coming home
