Never ever think of jerkin' me (x4)  
(Oh)

You should have treated me right  
But you left me lonely and cold at night.  
Since you won't, someone will  
Treat me better and be for real.

If you didn't want it you shoulda let me know  
But since you didn't want it, then girl you got to go.  
You left me sad and lonely, and ran away from home  
(Ran away from home)  
So since I'm not your only, then go and fetch your bone.

Chrous:  
Dawg, dirty dawg, dawg, dirty dawg,  
Dawg, ooh, you're a dirty, dirty,  
Dawg, dirty dawg, dawg, dirty dawg,  
Dawg, ooh you're so dirty dirty

Never ever think of jerkin'me (x2)

I gave you all that I can  
Til I caught you swingin' with another man  
But this time you strayed too far  
Now you come beggin' like the dog you are.

If you didn't want it (didn't want it)  
You shoulda let me know (let me know)  
But since you didn't want it,  
Then girl you got to go.  
Don't think that you can play me, (think that you can  
play me)  
And jerk me all around.(all around)  
You used to be my baby, now your ass is in the pound.

Dawg, dirty dawg, dawg, dirty dawg,  
Oohh, oh, you're a drty, dirty,  
Dawg, dirty dawg, dawg, dirty dawg  
You're so damn dirty.

Yo, yo, why you wanna act like a tramp, a wet food

stamp,  
I think it's time for me to break camp  
Had a crush on my man the first time we met.  
Now what you see is what you get  
Lost more than a mil on a gambling bet  
So here's the chuckwagon for the dog in you,  
Here's the kennelration and the alpo too

Now you know I didn't want her  
She tried to back me on a corner told her  
Blow the horn like little jack horner  
Forever forbidden, the fast girls in life  
The fast cars they call'em kittens  
They've been known to amaze  
But they can't pull one over me  
I got game for days  
Save the sap rap for the handicapped  
Been around the block and I didn't  
Fall for the trimmed trap.

DawgDawg, dirty dawg, dawg, dirty dawg,  
Oohh, oh, you're a drty, dirty,  
Dawg, dirty dawg, dawg, dirty dawg  
Ooh, You're so damn dirty.

Never ever think of jerkin' me (x2)  
Dawg
