If I hold on to your lips little bit longer
If I want to stay inside, would you think it strange?
And if I really wanna let it all go
And not save anything for tomorrow
And if tomorrow never comes at all

Kiss me like it's the last time
Love me like it's the first time
I'll kiss you like it's the last time
And I'll love you like it's the first time
I'll be trippin', can't wait 'til the next time
Oh, but if there isn't a next time

Maybe just, don't cry, don't cry
(Don't cry)
Maybe just, don't cry, don't cry
(Don't cry)

I learned that it's just not worth
Fighting over little things
Like when I used to wait all night
Just to say I'm sorry, I love you

Oh, tell me what would there be left to say?
Nothing
Oh, what if God wants to take me away?
Oh, you better

Take me like it's the last time
Love me like it's the first time
I'll kiss you like it's the last time
And I'll love you like it's the first time
I'll be trippin', can't wait 'til the next time
Oh, but if there isn't a next time

Maybe just, don't cry, don't cry
(Don't cry)
Maybe just, don't cry, don't cry
(Don't cry)

And if I only get just one thing to do
Then you know I only wanna give the world to you

So baby, won't you look me in the eyes and pretend?
And tell me that you know you're
Never, never, never, never gonna go away
Just in case

Kiss me like it's the last time
Love me like it's the first time
I'll kiss you like it's the last time
And I'll love you like it's the first time
I'll be trippin', can't wait 'til the next time
Oh, but if there isn't a next time
Oh, there might not be a next time

So maybe just, don't cry
(Don't cry)
Maybe just, don't cry
(Don't cry)

You know you wanna love me, baby
Oh, don't fight it
Just kiss me like it's the last time
Just kiss me like it's the last time

Just kiss me like it's the last time
Just kiss me like it's the last time
Just kiss me like it's the last time
Just kiss me
