Joey: Don't turn out the lights now! Don't turn out the lights now!

Donnie: N K O T B S B Baby

Jordan: I know we haven't been getting along, long at all, I don't think that it's time.

AJ: You and I can give in
Just call, call it off

I don't wanna say goodbye

Joey: Cause just when I think we're through, the memories come flooding back

Howie: It's like instantly I love you like that

Brian: I was on fire for you,

We could get it back again

If you don't say it's the end, the end.

(CHORUS)

Don't turn out the lights now, lights now, lights now,
Cause in a minute we'll be feeling like never before
We'll light up the night now, night now, right now.

I'll be whatever you need and more.

Don't turn out the lights now, Don't turn out the lights now.

Jordan: I'mma give you a minute to clear, clear your head, take the rest of the night, yeah

(Donnie: Take your time)

Nick: You're gonna see that it's empty without me in your bed. Baby, you'll change your mind

Brian: Cause just when I think we're through, the memories come flooding back

Howie: and instantly you love me like that

Joey: I still got this fire for you,
we can get it back again. If you don't say it's the end, the end

(CHORUS)

Don't turn out the lights now, lights now, lights now,
Cause in a minute we'll be feeling like never before.

We'll light up the night now,
night now, right now. I'll be whatever you need and more.
Don't turn out the lights now, Don't turn out the lights now.

Howie: We're down to the wire

(Donnie: Let's get high girl)
Howie: We gotta let go and take a chance
(Donnie: Don't be afraid)
Howie: I'll take it higher
(Donnie: Let us take you higher)
Nick: Till the end, till the end, till the end yeah, Yeah
Donnie: N K O T B S B Babay
Hey!
(CHORUS)
Don't turn out the lights now, lights now, lights now,
Cause in a minute we'll be feeling like never before.
We'll light up the night now, night now, right now.
I'll be whatever you need and more.
Don't turn out the lights now, lights now, lights now,
Cause in a minute we'll be feeling like never before.
We'll light up the night now, night now, right now,
I'll be whatever you need and more.
Don't turn out the lights now,
don't turn out the lights now,
don't turn out the lights now, don't turn out the lights
now.
Nick: Gonna bring it down
