You walked into my life, your love was so new  
And nothing will ever change my feelings for you

Well, you were so far away, now I am close to you, girl  
So let us run away, our heart that's waiting will stay

My favorite girl, oh, she's my favorite girl  
Don't you know?  
My favorite girl, oh, she's my favorite girl

There's so much I like in you, I can't go wrong  
I wanted a girl like you, I've looked so long

Girl, nothing will make us wrong, I know our love is too  
strong  
Let's leave the rest behind, our dreams ask what we  
will find

My favorite girl, oh, she's my favorite girl  
Don't you know?  
My favorite girl, oh, she's my favorite girl

My favorite girl, oh, she's my favorite girl  
Don't you know?  
My favorite girl, oh, she's my favorite girl

My favorite girl, oh, she's my favorite girl  
Don't you know?  
My favorite girl, oh, she's my favorite girl

My favorite girl, she's my favorite girl  
Girl, don't you see? You make my heart skip the beat  
Yeah, yeah, yeah, she's my favorite girl  
She's my girl, girl
